**To  
The Board of Directors of  
Rain Industries Limited**

**Report on the audit of the Standalone Financial Results**

**Opinion**

We have audited the accompanying statement of standalone financial results of Rain Industries Limited (the "Company") for the quarter and year ended December 31, 2025 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter and year ended December 31, 2025.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to note 5 of the accompanying standalone financial results, which describes the uncertainties with respect to applicable regulations including sanctions arising from the matters more fully described therein. Our opinion is not modified in respect of this matter.

**Management's Responsibilities for the Standalone Financial Results**

133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to

the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Other Matter

The Statement includes the results for the quarter ended December 31, 2025 being the balancing figure between the audited figures in respect of the full financial year ended December 31, 2025 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

4 Statement of Standalone Cash flows:

5 Due to the global implications of the geopolitical conflict between Russia and Ukraine that started in February 2022, there has been an increase in volatility in the commodity prices, stock and foreign exchange markets. Given this geopolitical uncertainty and the likelihood that changes may occur rapidly or unexpectedly, management has evaluated information available in this regard to assess its potential impact on the subsidiaries activities such as supply chain disruption, closure and abandonment of operations, travel restrictions, market volatility, recoverability of inter-company loans and repatriation of dividends between group entities, etc. Based on the internal assessment, the management believes that the operations of its Russian entities and the rest of the entities are largely independent of each other and hence it does not foresee any significant impact of the above events on its accompanying audited standalone financial results.

In light of the global circumstances, the step-down subsidiary i.e., Severtar Holding Limited (SHL), Cyprus, is encountering difficulties in fulfilling regulatory requirements. These challenges include filing statutory and tax returns, conducting statutory audits, completing other secretarial compliances, and addressing applicable sanctions etc., as the Board of the said subsidiary is non-functional. OOO RUTGERS Severtar ("OOORS"), Cherepovets, Russia is a 100% Subsidiary of SHL.

During the year ended December 31, 2024, the shareholders of SHL, had applied for re-domiciliation of SHL to another foreign jurisdiction, Special Administrative Region (SAR) of Kaliningrad, and had obtained the provisional certificate of incorporation for the re-domiciled entity i.e. Severtar Holding LLC, Kaliningrad (SHLLC) with a timeline to regularise the provisional certificate of incorporation by December 2025. As the time limit is expired, management basis legal opinion, has assessed that there is no material impact under the applicable laws and regulations.

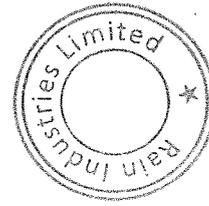

Further, management is in the process of completing pending compliances and also evaluating other available options to regularise in Cyprus and Kaliningrad. In the interim and based on the completion of preliminary steps in Kaliningrad, OOORS has been distributing dividends directly to the respective shareholders of SHLLC (as authorised by SHLLC), in compliance with the applicable regulations in the said Jurisdiction.

Considering the continuing uncertainties resulting from the aforesaid matters, the management will continue to closely monitor the compliance of applicable regulations including sanctions. Based on the internal assessment and external counsel opinions, management believes that it is in compliance with the applicable laws and regulations and does not foresee any recoverability related issues on such investments.

6 The figures for the quarter ended December 31 are the balancing figures between the audited figures in respect of the full financial year ended December 31 and the unaudited figures for the nine months ended September 30.

7 As permitted by Ind AS 108, "Operating Segments", notified under section 133 of the Companies Act, 2013, read together with the relevant rules issued thereunder, if a single financial report contains both consolidated financial results and the standalone financial results of the parent, segment information need to be presented only on the basis of the consolidated financial results. Thus, disclosure required by Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 on segment wise revenue results and capital employed are given in the consolidated financial results.

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associate of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Master Circular issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

**Notes:**

1 The above Statement of audited consolidated financial results of Rain Industries Limited ("the Company") along with its subsidiaries (hereinafter referred to as "the Group") and its associate, which have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, other accounting principles generally accepted in India and guidelines issued by the Securities and Exchange Board of India ("SEBI") were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meetings held on February 26, 2026 and February 27, 2026 respectively. The Statutory auditors have audited these results and issued an unmodified report thereon.

16/21

- 2 In the year ended December 31, 2024, employee benefits expense include provision made for severance payments in one of the group's subsidiaries in Germany amounting to INR 716.21 (€ 7.98 million) as part of Group's cost efficiency plan.
- 3 Due to the global implications of the geopolitical conflict between Russia and Ukraine that started in February 2022, there has been an increase in volatility in the commodity prices, stock and foreign exchange markets. Given this geopolitical uncertainty and the likelihood that changes may occur rapidly or unexpectedly, management has evaluated information available in this regard to assess its potential impact on the Group's activities such as supply chain disruption, closure and abandonment of operations, travel restrictions, market volatility, recoverability of inter-company loans and repatriation of dividends between group entities, etc. Based on the internal assessment, the management believes that the operations of its Russian entities and the rest of the entities are largely independent of each other and hence it does not foresee any significant impact of the above events on its accompanying audited consolidated financial results.
- In light of the global circumstances, the Group is encountering difficulties in fulfilling regulatory requirements. These challenges include filing statutory and tax returns, conducting statutory audits, completing other secretarial compliances, and addressing applicable sanctions, for one of its step-down subsidiaries, i.e., Severtar Holding Limited (SHL), Cyprus, as the Board of the said subsidiary is non-functional. OOO RUTGERS Severtar ("OOORS"), Cherepovets, Russia is a 100% Subsidiary of SHL.
- During the year ended December 31, 2024, the shareholders of SHL, had applied for re-domiciliation of SHL to another foreign jurisdiction, Special Administrative Region (SAR) of Kaliningrad, and had obtained the provisional certificate of incorporation for the re-domiciled entity i.e. Severtar Holding LLC, Kaliningrad (SHLLC) with a timeline to regularise the provisional certificate of incorporation by December 2025. As the time limit is expired, management basis legal opinion, has assessed that there is no material impact under the applicable laws and regulations.
- Further, management is in the process of completing pending compliances and also evaluating other available options to regularise in Cyprus and Kaliningrad. In the interim and based on the completion of preliminary steps in Kaliningrad, OOORS has been distributing dividends directly to the respective shareholders of SHLLC (as authorised by SHLLC), in compliance with the applicable regulations in the said Jurisdiction.
- Considering the continuing uncertainties resulting from the aforesaid matters, the Group will continue to closely monitor the compliance of applicable regulations including sanctions. Based on the internal assessment and external counsel opinions, management believes that it is in compliance with the applicable laws and regulations and does not foresee any recoverability related issues on such assets.
- 4 The Group continues to evaluate the status of projects which are under Capital work in progress. During the quarter and year ended December 31, 2024, based on the status of the project and management evaluation, the Group had recognised an impairment charge of INR 730.52 in the consolidated financial results.
- 5 The Group had designated certain portion of inter-company loans between US and Germany subsidiaries as net investment in foreign operation with effect from October 1, 2023, considering its long-term nature. During the quarter ended June 30, 2025, the Group re-assessed its cash flow position considering the business developments and designated the remaining portion of the inter-company loans between US and Germany subsidiaries as net investment in foreign operation with effect from April 1, 2025. Accordingly, the foreign exchange (gain) / loss on the total foreign currency loan determined as net investment in foreign operation is recognised through Other Comprehensive Income (OCI).
- The foreign exchange loss for the quarter and year ended December 31, 2025 recognised in OCI includes loss of INR 7.72 and INR 765.52 respectively, on the portion of foreign currency loans re-designated in the quarter ended June 30, 2025.
- 6 On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, (collectively, the "Labour Codes") which consolidate twenty- nine existing labour laws into a unified framework governing employee benefits during employment and post employment. The Labour Codes introduce several changes, including a uniform definition of wages and enhanced leave related benefits. The Group has assessed the financial implications of these changes which has resulted in net increase in gratuity and compensated absences liabilities arising out of past service cost amounting to INR 45.30 during the quarter and year ended December 31, 2025. As the State Governments are still in the process of issuing related rules to the New Labour Codes, the Group continues to monitor the developments pertaining to Labour Codes and will evaluate impact if any, on the measurement of liability pertaining to employee benefits as and when the rules are notified.
