Limited Review Report on unaudited consolidated financial results of Rain Industries Limited for the Quarter ended 31 March 2022 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Rain Industries Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Rain Industries Limited ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net profit after tax and total comprehensive income of its associate for the quarter ended 31 March 2022 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities which have been mentioned in Annexure I to this report.
5. Attention is drawn to the fact that the figures for the three months ended 31 December 2021 as reported in these unaudited consolidated financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- 1 The Consolidated Unaudited Financial Results were reviewed by the Audit Committee on May 3, 2022 and approved by the Board of Directors at their meeting held on May 4, 2022.
- 2 The Consolidated Unaudited Financial Results have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ('The Act') read with relevant rules issued thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 3 The Consolidated Unaudited Financial Results for the Quarter ended March 31, 2022 have been subjected to a "Limited Review" by the statutory auditors of the Company. An unqualified report has been issued by them thereon.
- 4 On December 31, 2020, the Group completed the sale of its Wholly Owned Subsidiaries engaged in the manufacturing and distribution of Polynaphthalene Sulfonates - RUTGERS Polymers Limited and Handy Chemicals (U.S.A.) Limited, for an aggregate cash consideration of INR 6,386.27 which resulted in a gain of INR 3,864.20 which was recorded under the heading Other income during the year ended December 31, 2020. The sale resulted in loss of control over both subsidiaries and accordingly the Group derecognised the assets and liabilities at their carrying amounts on date of sale as per "TND AS 110 – Consolidated financial statements".
- 5 During the year ended December 31, 2021, upon completion of certain additional formalities on sale transaction, a partial amount retained in escrow account during year-end was released and recorded as income amounting to INR 40.10.
- 6 During the quarter ended March 31, 2022, upon full and final settlement an amount of INR 32.47 retained in escrow account during year-end was released and recorded as income.
- 7 Due to the global implications of the rapidly evolving conflict between Russia and Ukraine that started in February 2022, there is an increase in volatility in the stock, commodity prices and foreign exchange markets. Given this geopolitical uncertainty resulting from this war and the likelihood that changes may occur rapidly or unexpectedly, we have carefully evaluated information that became available in this regard to assess its potential impact on the Group's activities such as supply chain disruption, closure / abandonment of operations / manufacturing facilities, travel restrictions, market volatility, recoverability of inter-company loan within group entities, repatriation of dividends between group entities, etc. Currently, the management does not foresee any significant impact of the above events on its financial results as the operations of its Russian entities and the rest of the entities are largely independent of each other. However, since the impact assessment of such situation is a continuing process given the uncertainties associated with its nature and duration, the Group will continue to monitor any material changes to future economic conditions.
- 8 During the year ended December 31, 2020, due to the COVID-19 pandemic, there was nationwide lockdown in India and supply disruptions in various other countries, which affected the operations across the Group. However, the situation started improving from the third quarter of 2020. Again with resurgence of COVID-19, the Group continues to evaluate the impact of this pandemic on its business operations, liquidity and financial position. Based on management's review of current indicators and economic conditions there is no material impact on its financial results as at March 31, 2022, and carrying value of its assets, except certain inventory related write-downs, which are already provided during 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Group will continue to monitor any material changes to future economic conditions.
- 9 The Group's US Subsidiary filed its 2020 U.S. tax return on due date of October 15, 2021. At the time of finalising its tax return for 2020 year as consistent approach, management opted for Global Intangible Low-Taxed Income (GILTI) High Tax Exception (HTE). The GILTI high-tax exception will exclude from GILTI income of a Controlled foreign corporation that incurs a foreign tax at a rate greater than 90% of the U.S. corporate rate, currently 18.9%. In July, 2020, the U.S. Department of Treasury ("Treasury") and the Internal Revenue Service (IRS) finalised regulations (T.D. 9902) with respect to the GILTI high-tax exception ("Final Regulations"), such election was also made at the time of finalising 2020 annual consolidated financial statements and also in prior years. Due to change in the estimates during tax return 2020 an additional tax expense of INR 142.90 was recorded and remitted during the year ended December 31, 2021.

8 Due to significant increase in operating costs driven by higher natural gas prices and tax losses, the Group's German subsidiary re-assessed the deferred tax assets to be recognised based on the scheduled reversal of deferred tax liabilities and projected future taxable income. Based on such assessment, the Group's German subsidiary reversed the deferred tax assets amounting to INR 3,777.11 (of which INR 2,926.06 was recorded in consolidated statement of profit and loss and balance of INR 851.05 was recorded through Other Comprehensive Income) during the quarter and year ended December 31, 2021.

Further, the Group's US subsidiary generated Foreign Tax Credits ("FTC") in 2017. However, deferred tax assets amounting to INR 930.03 was not recognised as at December 31, 2020 on the basis of available evidence that it was more likely than not that deferred tax assets will not be realized. During the year ended December 31, 2021, Management reassessed the recoverability of this unrecognised deferred tax asset based on the scheduled reversal of deferred tax liabilities and projected future taxable income. Accordingly, the Group's US subsidiary recognised the deferred tax assets during the quarter and year ended December 31, 2021, amounting to INR 930.03 in consolidated statement of profit and loss.

9 During the year ended December 31, 2021, the Group sold its Moundsville plant located in the United States of America which was classified as "Assets held for sale" in the Consolidated Balance Sheet as at December 31, 2020 for an amount of INR 284.63. The resultant gain of INR 243.70 was recorded under the heading Other income.
